The Order would supersede the exemptive orders issued by the Commission on December 21, 2020 and November 8, 2022 (the “**Prior Orders**”)² that were granted

more Affiliated Entities⁶ to engage in Co-Investment Transactions⁷ subject to the terms and conditions described herein. The Regulated Funds and Affiliated Entities that participate in a Co-Investment Transaction are collectively referred to herein as “**Participants**.”⁸ The Applicants do not seek relief for transactions effected consistent with Commission staff no-action positions.⁹

II. GENERAL DESCRIPTION OF THE APPLICANTS

A. Existing Regulated Funds

MSCC. MSCC is a Maryland corporation that was formed in March 2007 to operate as an internally managed business development company under the 1940 Act. Because MSCC is internally managed, all of its executive officers and other employees are employed by MSCC. Therefore, MSCC does not pay any external investment advisory fees, but instead directly incurs the operating costs associated with employing investment and portfolio management professionals. MSCC has elected to be treated as a regulated investment company (“**RIC**”) under subchapter M of the Internal Revenue Code of 1986, as amended (the “**Code**”), and intends to continue to

Fund whose primary adviser is not also an Adviser, such primary adviser shall be deemed to be an Adviser with respect to conditions 3 and 4 only.

The term Regulated Fund also includes (a) any Wholly-Owned Investment Sub (as defined below) of a Regulated Fund, (b) any Joint Venture (as defined below) of a Regulated Fund, and (c) any BDC Downstream Fund (as defined below) of a Regulated Fund that is a business development company. “**Wholly-Owned Investment Sub**” means an

entity: (a) that is a “wholly-owned subsidiary” (as defined in Section 2(a)(43) of the 1940 Act) of a Regulated Fund; (b) whose sole business purpose is to hold one or more investments and which may issue debt on behalf or in lieu of such Regulated Fund; and (c) is not a registered investment company or a business development company. “**Joint Venture**” means an unconsolidated joint venture subsidiary of a Regulated Fund, in which all portfolio decisions, and generally all other decisions in respect of such joint venture, must be approved by an investment committee consisting of representatives of the Regulated Fund and the unaffiliated joint venture partner (with approval from a representative of each required). “**BDC Downstream Fund**” means an entity (a) directly or indirectly controlled by a Regulated Fund that is a business development company, (b) that is not controlled by any person other than the Regulated Fund (except a person that indirectly controls the entity solely because it controls the Regulated Fund), (c) that would be an investment company but for Section 3(c)(1) or 3(c)(7) of the 1940 Act, (d) whose investment adviser is an Adviser and (e) that is not a Wholly-Owned Investment Sub.

In the case of a Wholly-Owned Investment Sub that does not have a chief compliance officer or a Board, the chief compliance officer and Board of the Regulated Fund that controls the Wholly-Owned Investment Sub will be deemed to serve those roles for the Wholly-Owned Investment Sub. In the case of a Joint Venture or a BDC Downstream Fund (as applicable) that does not have a chief compliance officer or a Board, the chief compliance officer of the Regulated Fund will be deemed to be the Joint Venture’s or BDC Downstream Fund’s chief compliance officer, and the Joint Venture’s or BDC Downstream Fund’s investment committee will be deemed to be the Joint Venture’s or BDC Downstream Fund’s Board.

⁶ “**Affiliated Entity**” means an entity not controlled by a Regulated Fund that intends to engage in Co-Investment Transactions and that is (a) with respect to a Regulated Fund, another Regulated Fund; (b) an Adviser or its affiliates (other than an open-end investment company registered under the 1940 Act), and any direct or indirect, wholly- or majority-owned subsidiary of an Adviser or its affiliates (other than of an open-end investment company registered under the 1940 Act), that is participating in a Co-Investment Transaction in a principal capacity; or (c) any entity that would be an investment company but for Section 3(c) of the 1940 Act or Rule 3a-7 thereunder and whose investment adviser is an Adviser.

To the extent that an entity described in clause (b) is not advised by an Adviser, such entity shall be deemed to be an Adviser for purposes of the conditions.

⁷ “**Co-Investment Transaction**” means the acquisition or Disposition of securities of an issuer in a transaction effected in reliance on the Order or previously granted relief.

⁸ “**Adviser**” means MSC Adviser, and any other investment adviser controlling, controlled by, or under common control with MSC Adviser. The term “Adviser” also includes MSCC and any other internally-managed Regulated Fund.

⁹ See, e.g., Massachusetts Mutual Life Insurance Co. (pub. avail. June 7, 2000), Massachusetts Mutual Life Insurance Co. (pub. avail. July 28, 2000) and SMC Capital Inc. (pub. avail. Sept. 5, 1995).

qualify as a RIC in the future. The principal business address of MSCC is 1300 Post Oak Boulevard, 8th Floor Houston, TX 77056.

MSCC’s investment objective is to maximize its portfolio’s total return by generating current income from its debt investments and capital appreciation from its equity and equity-related investments, including warrants, convertible securities and other rights to acquire equity securities in a portfolio company. MSCC has a seven member board (the “**MSCC Board**”), of which five members are not “interested persons” of MSCC within the meaning of Section 2(a)(19) of the 1940 Act.¹⁰

MSIF. MSIF is a Maryland corporation that was formed in November 2011 to operate as an externally managed business development company under the 1940 Act. MSIF has elected to be treated as a RIC under subchapter M of the Code, and intends to qualify as a RIC in the future. The principal business address of MSIF is 1300 Post Oak Boulevard, 8th Floor Houston, TX 77056.

MSIF’s investment objective is to maximize its portfolio’s total return, primarily by generating current income from its debt investments and, to a lesser extent, by generating current income and capital appreciation from its equity and equity-related investments, including warrants, convertible securities and other rights to acquire equity securities in a portfolio company. MSIF has a four member board (the “**MSIF Board**” and together with the MSCC Board, and any Future Regulated Fund’s board of directors, the “**Board**”), of which three members are not “interested persons” of MSIF within the meaning of Section 2(a)(19) of the 1940 Act.

B. The Company Subs

Each of the Company Subs is a direct or indirect wholly-owned subsidiary of an Existing Regulated Fund whose sole business purpose is to hold one or more investments on behalf of such Existing Regulated Fund. Each Company Sub is a separate and distinct legal entity. The Company Subs have investment objectives and strategies that are substantially the same as, or a subset of, those of the applicable Existing Regulated Fund. The Company Subs are not registered under the 1940 Act because each Company Sub relies on the exclusion from the definition of “investment company” contained in Section 3(c)(7) of the 1940 Act.

C. MSC Adviser

MSC Adviser was formed in November 2013 as a wholly owned subsidiary of MSCC to provide investment management and other services to parties other than MSCC and its subsidiaries or their portfolio companies and

receives fee income for such services. MSCC has been granted no-action relief¹¹ by the SEC to allow MSC Adviser to register as an investment adviser under the Advisers Act. Since MSC Adviser conducts all of its investment management activities for external parties, it is accounted for as a portfolio investment of MSCC and is not included as a consolidated subsidiary of MSCC in MSCC's consolidated financial statements.

D. The Existing Affiliated Funds

The Existing Affiliated Funds are investment funds each of whose investment adviser is MSC Adviser and each of which would be an investment company but for Section 3(c)(7) of the 1940 Act.

III. ORDER REQUESTED

The Applicants request an Order of the Commission under Sections 17(d) and 57(i) of the 1940 Act and Rule 17d-1 thereunder to permit, subject to the terms and conditions set forth below in this Application (the "**Conditions**"), each Regulated Fund to be able to participate with one or more Affiliated Entities in Co-Investment Transactions otherwise prohibited by Sections 17(d) and 57(a)(4) of the 1940 Act and Rule 17d-1 thereunder.

¹⁰ The Board of each Future Regulated Fund will consist of a majority of members who are not "interested persons" of such Future Regulated Fund within the meaning of Section 2(a)(19) of the 1940 Act.

¹¹ See Main Street Capital Corporation (pub. avail. November 7, 2013).

A. Applicable Law

Section 17(d), in relevant part, prohibits an affiliated person, or an affiliated person of such affiliated person, of a registered investment company, acting as principal, from effecting any transaction in which the registered investment company is "a joint or a joint and several participant with such person" in contravention of such rules as the SEC may prescribe "for the purpose of limiting or preventing participation by such [fund] on a basis different from or less advantageous than that of such other participant."

Rule 17d-1 prohibits an affiliated person, or an affiliated person of such affiliated person, of a registered investment company, acting as principal, from participating in, or effecting any transaction in connection with, any "joint enterprise or other joint arrangement or profit-sharing plan"¹² in which the fund is a participant without first obtaining an order from the SEC.

Section 57(a)(4), in relevant part, prohibits any person related to a business development company in the manner described in Section 57(b), acting as principal, from knowingly effecting any transaction in which the business development company is a joint or a joint and several participant with such persons in contravention of such rules as the Commission may prescribe for the purpose of limiting or preventing participation by the business development company on a basis less advantageous than that of such person. Section 57(i) provides that, until the SEC prescribes rules under Section 57(a), the SEC's rules under Section 17(d) applicable to registered closed-end investment companies will be deemed to apply to persons subject to the prohibitions of Section 57(a). Because the SEC has not adopted any rules under Section 57(a), Rule 17d-1 applies to persons subject to the prohibitions of Section 57(a).

Rule 17d-1(b) provides, in relevant part, that in passing upon applications under the rule, the Commission will consider whether the participation of a registered investment company in a joint enterprise, joint arrangement or profit-sharing plan on the basis proposed is consistent with the provisions, policies and purposes of the 1940 Act and the extent to which such participation is on a basis different from or less advantageous than that of other participants.

B. Need for Relief

Each Regulated Fund may be deemed to be an affiliated person of each other Regulated Fund within the meaning of Section 2(a)(3) if it is deemed to be under common control because an Adviser is or will be either the investment adviser or sub-adviser to each Regulated Fund. Section 17(d) and Section 57(b) apply to any investment adviser to a closed-end fund or a business development company, respectively, including a sub-adviser. Thus, MSC Adviser and any Affiliated Entities that it advises could be deemed to be persons related to Regulated Funds in a manner described by Sections 17(d) and 57(b). MSC Adviser is a wholly-owned subsidiary of MSCC, is under common control with MSCC, and is thus an affiliated person of MSCC. Accordingly, with respect to MSC Adviser and any other Advisers that are deemed to be affiliated persons of each other, Affiliated Entities advised by any of them could be deemed to be persons related to Regulated Funds (or a company controlled by a Regulated Fund) in a manner described by Sections 17(d) and 57(b). In addition, any entities or accounts controlled by or under common control with MSC Adviser, and/or any other Advisers that are deemed to be affiliated persons of each other that may, from time to time, hold various financial assets in a principal capacity, could be deemed to be persons related to Regulated Funds (or a company controlled by a Regulated Fund) in a manner described by Sections 17(d) and 57(b). Finally, with respect to any Wholly-Owned Investment Sub, Joint Venture, or BDC Downstream Fund of a Regulated Fund, such entity would be a company controlled by its parent Regulated Fund for purposes of Section 57(a)(4) of the 1940 Act and Rule 17d-1 under the 1940 Act.

¹² Rule 17d-1(c) defines a “[j]oint enterprise or other joint arrangement or profit-sharing plan” to include, in relevant part, “any written or oral plan, contract, authorization or arrangement or any practice or understanding concerning an enterprise or undertaking whereby a registered investment company ... and any affiliated person of or principal underwriter for such registered company, or any affiliated person of such a person or principal underwriter, have a joint or a joint and several participation, or share in the profits of such enterprise or undertaking”

C. Conditions

Applicants agree that any Order granting the requested relief will be subject to the following Conditions.

1. Same Terms. With respect to any Co-Investment Transaction, each Regulated Fund, and Affiliated Entity participating in such transaction will acquire, or dispose of, as the case may be, the same class of securities, at the same time, for the same price and with the same conversion, financial reporting and registration rights, and with substantially the same other terms (provided that the settlement date for an Affiliated Entity may occur up to ten business days after the settlement date for the Regulated Fund, and vice versa). If a Participant, but not all of the Regulated Funds, has the right to nominate a director for election to a portfolio company’s board of directors, the right to appoint a board observer or any similar right to participate in the governance or management of a portfolio company, the Board of each Regulated Fund that does not hold this right must be given the opportunity to veto the selection of such person.¹³
2. Existing Investments in the issuer. Prior to a Regulated Fund acquiring in a Co-Investment Transaction a security of an issuer in which an Affiliated Entity has an existing interest in such issuer, the “required majority,” as defined in Section 57(o) of the 1940 Act,¹⁴ of the Regulated Fund (“**Required Majority**”) will take the steps set forth in Section 57(f) of the 1940 Act,¹⁵ unless: (i) the Regulated Fund already holds the same security as each such Affiliated Entity; and (ii) the Regulated Fund and each other Affiliated Entity holding the security is participating in the acquisition in approximate proportion to its then-current holdings.
3. Related Expenses. Any expenses associated with acquiring, holding or disposing of any securities acquired in a Co-Investment Transaction, to the extent not borne by the Adviser(s), will be shared among the Participants in proportion to the relative amounts of the securities being acquired, held or disposed of, as the case may be.¹⁶
4. No Remuneration. Any transaction fee¹⁷ (including break-up, structuring, monitoring or commitment fees but excluding broker’s fees contemplated by section 17(e) or 57(k) of the 1940 Act, as applicable), received by an Adviser and/or a Participant in connection with a Co-Investment Transaction will be distributed to the Participants on a pro rata basis based on the amounts they invested or committed, as the case may be, in such Co-Investment Transaction. If any transaction fee is to be held by an Adviser pending consummation of the transaction, the fee will be deposited into an account maintained by the Adviser at a bank or banks having the qualifications prescribed in section 26(a)(1) of the 1940 Act, and the account will earn a competitive rate of interest that will also be divided pro rata among the Participants based on the amount they invest in such Co-Investment Transaction. No Affiliated,

¹³ Such a Board can also, consistent with applicable fund documents, facilitate this opportunity by delegating the authority to veto the selection of such person to a committee of the Board.

¹⁴ Section 57(o) defines the term “required majority,” in relevant part, with respect to the approval of a proposed transaction, as both a majority of a BDC’s directors who have no financial interest in the transaction and a majority of such directors who are not interested persons of the BDC. In the case of a Regulated Fund that is not a BDC, the Board members that constitute the Required Majority will be determined as if such Regulated Fund were a BDC subject to Section 57(o) of the 1940 Act.

¹⁵ Section 57(f) provides for the approval by a Required Majority of certain transactions on the basis that, in relevant part: (i) the terms of the transaction, including the consideration to be paid or received, are reasonable and fair to the shareholders of the BDC and do not involve overreaching of the BDC or its shareholders on the part of any person concerned; (ii) the proposed transaction is consistent with the interests of the BDC’s shareholders and the BDC’s policy as recited in filings made by the BDC with the Commission and the BDC’s reports to shareholders; and (iii) the BDC’s directors record in their minutes and preserve in their records a description of the transaction, their findings, the information or materials upon which their findings were based, and the basis for their findings.

¹⁶ Expenses of an individual Participant that are incurred solely by the Participant due to its unique circumstances (such as legal and compliance expenses) will be borne by such Participant.

¹⁷ Applicants are not requesting and the Commission is not providing any relief for transaction fees received in connection with any Co-Investment Transaction.

Regulated Fund, or any of their affiliated persons will accept any compensation, remuneration or financial benefit in connection with a Regulated Fund's participation in a Co-Investment Transaction, except: (i) to the extent permitted by Section 17(e) or 57(k) of the 1940 Act; (ii) as a result of either being a Participant in the Co-Investment Transaction or holding an interest in the securities issued by one of the Participants; or (iii) in the case of an Adviser, investment advisory compensation paid in accordance with investment advisory agreement(s) with the Regulated Fund(s) or Affiliated Entity(ies).

5. Co-Investment Policies. Each Adviser (and each Affiliated Entity that is not advised by an Adviser) will adopt and implement policies and procedures reasonably designed to ensure that: (i) opportunities to participate in Co-Investment Transactions are allocated in a manner that is fair and equitable to every Regulated Fund; and (ii) the Adviser negotiating the Co-Investment Transaction considers the interest in the Transaction of any participating Regulated Fund (the "**Co-Investment Policies**"). Each Adviser (and each Affiliated Entity that is not advised by an Adviser) will provide its Co-Investment Policies to the Regulated Funds and will notify the Regulated Funds of any material changes thereto.¹⁸

6. Dispositions

(a) Prior to any Disposition¹⁹ by an Affiliated Entity of a security acquired in a Co-Investment Transaction, the Adviser to each Regulated Fund that participated in the Co-Investment Transaction will be notified and each such Regulated Fund given the opportunity to participate pro rata based on the proportion of its holdings relative to the other Affiliated Entities participating in such Disposition.

(b) Prior to any Disposition by a Regulated Fund of a security acquired in a Co-Investment Transaction, the Required Majority will take the steps set forth in Section 57(f) of the 1940 Act, unless: (i) each Affiliated Entity holding the security participates in the Disposition in approximate proportion to its then-current holding of the security; or (ii) the Disposition is a sale of a Tradable Security.²⁰

7. Board Oversight

(a) Each Regulated Fund's directors will oversee the Regulated Fund's participation in the co-investment program in the exercise of their reasonable business judgment.

(b) Prior to a Regulated Fund's participation in Co-Investment Transactions, the Regulated Fund's Board, including a Required Majority, will: (i) review the Co-Investment Policies, to ensure that they are reasonably designed to prevent the Regulated Fund from being disadvantaged by participation in the co-investment program; and (ii) approve policies and procedures of the Regulated Fund that are reasonably designed to ensure compliance with the terms of the Order.

(c) At least quarterly, each Regulated Fund's Adviser and chief compliance officer (as defined in Rule 38a-1(a)(4)) will provide the Regulated Fund Boards with reports or other information requested by the Board related to a Regulated Fund's participation in Co-Investment Transactions and a summary of matters, if any, deemed significant that may have arisen during the period related to the implementation of the Co-Investment Policies and the Regulated Fund's policies and procedures approved pursuant to (b) above.

¹⁸ The Affiliated Entities may adopt shared Co-Investment Policies.

¹⁹ "**Disposition**" means the sale, exchange, transfer or other disposition of an interest in a security of an issuer.

²⁰ "**Tradable Security**" means a security which trades: (i) on a national securities exchange (or designated offshore securities market as defined in Rule 902(b) under the Securities Act of 1933, as amended) and (ii) with sufficient volume and liquidity (findings which are to be made in good faith and documented by the Advisers to any Regulated Funds) to allow each Regulated Fund to dispose of its entire remaining position within 30 days at approximately the price at which the Regulated Fund has valued the investment.

(d) Every year, each Regulated Fund's Adviser and chief compliance officer will provide the Regulated Fund's Board with reports or other information requested by the Board related to the Regulated Fund's participation in the co-investment program and any material changes in the Affiliated Entities' participation in the co-investment program, including changes to the Affiliated Entities' Co-Investment Policies.

(e) The Adviser and the chief compliance officer will also notify the Regulated Fund's Board of a compliance matter related to the Regulated Fund's participation in the co-investment program and related Co-Investment

Policies or the Regulated Fund's policies and procedures approved pursuant to (b) above that a Regulated Fund's chief compliance officer considers to be material.

8. Record Keeping. All information presented to the Board pursuant to the order will be kept for the life of the Regulated Fund and at least two years thereafter, and will be subject to examination by the Commission and its Staff. Each Regulated Fund will maintain the records required by Section 57(f)(3) as if it were a business development company and each of the Co-Investment Transactions were approved by the Required Majority under Section 57(f).²¹

9. In the event that the Commission adopts a rule under the 1940 Act allowing co-investments of the type described in this Application, any relief granted by the Order will expire on the effective date of that rule.

IV. STATEMENT IN SUPPORT OF RELIEF REQUESTED

Applicants submit that allowing the Co-Investment Transactions described by this Application is justified on the basis of (i) the potential benefits to the Regulated Funds and their respective shareholders and (ii) the protections found in the terms and conditions set forth in this Application.

A. Potential Benefits to the Regulated Funds and their Shareholders

Section 57(a)(4) and Rule 17d-1 (as applicable) limit the ability of the Regulated Funds to participate in attractive co-investment opportunities under certain circumstances. If the relief is granted, the Regulated Funds should: (i) be able to participate in a larger number and greater variety of investments, thereby diversifying their portfolios and providing related risk-limiting benefits; (ii) be able to participate in larger financing opportunities, including those involving issuers with better credit quality, which otherwise might not be available to investors of a Regulated Fund's size; (iii) have greater bargaining power (notably with regard to creditor protection terms and other similar investor rights), more control over the investment and less need to bring in other external investors or structure investments to satisfy the different needs of external investors; (iv) benefit from economies of scale by sharing fixed expenses associated with an investment with the other Participants; and (v) be able to obtain better deal flow from investment bankers and other sources of investments.

B. Shareholder Protections

Each Co-Investment Transaction would be subject to the terms and conditions of this Application. The Conditions are designed to address the concerns underlying Sections 17(d) and 57(a)(4) and Rule 17d-1 by ensuring that participation by a Regulated Fund in any Co-Investment Transaction would not be on a basis different from or less advantageous than that of other Participants. Under Condition 5, each Adviser (and each Affiliated Entity that is not advised by an Adviser) will adopt and implement Co-Investment Policies that are reasonably designed to ensure that (i) opportunities to participate in Co-Investment Transactions are allocated in a manner that is fair and equitable to every Regulated Fund; and (ii) the Adviser negotiating the Co-Investment Transaction considers the interest in the Transaction of any participating Regulated Fund. The Co-Investment Policies will require an Adviser to make an independent determination of the appropriateness of a Co-Investment Transaction and the proposed allocation size based on each Participant's specific investment profile and other relevant characteristics.

²¹ If a Regulated Fund enters into a transaction that would be a Co-Investment Transaction pursuant to this Order in reliance on another exemptive order instead of this Order, the information presented to the Board and records maintained by the Regulated Fund will expressly indicate the order relied upon by the Regulated Fund to enter into such transaction.

V. PRECEDENTS

The Commission has previously issued orders permitting certain investment companies subject to regulation under the 1940 Act and their affiliated persons to be able to participate in Co-Investment Transactions (the "**Existing Orders**").²² Similar to the Existing Orders, the Conditions described herein are designed to mitigate the possibility for overreaching and to promote fair and equitable treatment of the Regulated Funds. Accordingly, the Applicants submit that the scope of investor protections contemplated by the Conditions are consistent with those found in the Existing Orders.
