First Quarter 2013 Distributions

With the authorization of its board of directors, HMS Income Fund, Inc. ("HMS Income Fund") recently declared distributions for the months of January – March 2013. These distributions will be calculated based on stockholders of record each day from January 1, 2013 through March 31, 2013 in an amount equal to \$0.00191781 per share, per day (which represents an annualized distribution yield of 7% based on HMS Income Fund's current public offering price of \$10.00 per share, if it were maintained everyday for a twelve-month period). Distributions will be paid on the first business day following the completion of each month to which they relate. All distributions will be paid in cash or reinvested in stock for those participating in HMS Income Fund's distribution reinvestment plan.

Statements in this Current Report on Form 8-K, including intentions, beliefs, expectations or projections relating to items such as the timing of payment of distributions are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Such statements are based on current expectations and assumptions with respect to, among other things, future economic, competitive and market conditions and future business decisions that may prove incorrect or inaccurate. Important factors that could cause actual results to differ materially from those in the forward looking statements include the risks described in the "Risk Factors" section of HMS Income Fund's Registration Statement on Form N-2.

Certain Information About Distributions

The determination of the tax attributes of HMS Income Fund's distributions will be made annually as of the end of HMS Income Fund's fiscal year based upon its taxable income and distributions paid, in each case, for the full year. Therefore, a determination as to the tax attributes of the distributions made on a quarterly basis may not be representative of the actual tax attributes for a full year. The actual tax characteristics of distributions to stockholders will be reported to stockholders annually on a Form 1099-DIV. The payment of future distributions on HMS Income Fund's common stock is subject to the discretion of the Board and applicable legal restrictions, and therefore, there can be no assurance as to the amount or timing of any such future distributions.

Forward-Looking Statements

This press release may contain certain forward looking statements, including intentions, beliefs, expectations or projections relating to items such as the timing of payment of distributions. Such statements are based on current expectations and assumptions with respect to, among other things, future economic, competitive and market conditions and future business decisions that may prove incorrect or inaccurate. Certain factors could cause actual results to differ materially from those projected in these forward-looking statements and some of these factors are enumerated in the filings HMS Income Fund makes with the Securities and Exchange Commission. HMS Income Fund undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
