**Important Notice Regarding the Availability of Proxy Materials for the 2016 Annual Meeting of Stockholders
(the "Annual Meeting") to be Held on September 14, 2016**

This proxy statement, the form of proxy card and our Form 10-K are available in the SEC Filings section of our website at www.hinessecurities.com/bdcs/hms-income-fund/sec-filings/. Stockholders may also obtain a copy of these materials by writing to HMS Income Fund, Inc., Attention: Ryan T. All properly executed proxies representing shares of common stock, par value \$0.001 per share, of the Company (the "Common Stock") received prior to the annual meeting will be voted in accordance with the instructions marked thereon. **If no specification is made, the shares of Common Stock will be voted "FOR" the proposal to elect each of the director nominees and "FOR" the proposal to ratify the appointment of Grant Thornton LLP ("Grant Thornton") as the Company's independent registered public accounting firm.** Any stockholder who has given a proxy has the right to revoke it at any time prior to its exercise. Stockholders who execute proxies may revoke them with respect to a proposal by attending the annual meeting and voting his or her shares of Common Stock in person, or by submitting a letter of revocation or a later-dated proxy to the Company at the above address prior to the date of the annual meeting.

INFORMATION ABOUT THE MEETING AND VOTING

What is the date of the annual meeting and where will it be held?

The Annual Meeting will be held on September 14, 2016, at 9:00 am, Central Time. The Annual Meeting will be held at the Williams Tower Conference Center, Level 2 - Uptown Room, 2800 Post Oak Boulevard, Houston, Texas 77056.

What will I be voting on at the Annual Meeting?

At the Annual Meeting, you will be asked to:

- elect five (5) directors who will each serve until the 2017 annual meeting of stockholders or until his or her earlier death, removal or resignation;
- ratify the appointment of Grant Thornton as our independent registered public accounting firm; and
- conduct such other business as may properly come before the Annual Meeting or any adjournment thereof.

Our board of directors does not know of any matters that may be acted upon at the Annual Meeting other than the matters set forth in the first two bullets listed above.

Who can vote at the Annual Meeting?

The record date for the determination of holders of shares of our Common Stock entitled to notice of and to vote at the Annual Meeting, or any adjournment or postponement thereof, is the close of business on June 16, 2016. Each holder of shares of our Common Stock issued and outstanding as of the record date is entitled to vote at the Annual Meeting. As of April 28, 2016, 65,992,010 shares of our Common Stock were outstanding.

How many votes do I have?

Each share of Common Stock has one vote on each matter considered at the Annual Meeting or any adjournment thereof. The enclosed proxy card shows the number of shares of Common Stock you are entitled to vote.

How can I vote?

You may vote in person at the Annual Meeting or by proxy. Stockholders have the following three options for submitting their votes by proxy:

- via the Internet at www.cesvote.com;
- by telephone, by calling toll free 1-888-693-8683; or
- by mail, by completing, signing, dating and returning your proxy card in the enclosed envelope.

For those stockholders with Internet access, we encourage you to vote via the Internet, a convenient means of voting that also provides cost savings to us. In addition, when you vote via the Internet or by phone prior to the Annual Meeting date, your vote is recorded immediately and there is no risk that postal delays will cause your vote to arrive late and, therefore, not be counted. For further instructions on voting and the control number required to submit your vote via the Internet or by phone, see your proxy card enclosed with this proxy statement.

You may also vote your shares at the Annual Meeting. If you attend the Annual Meeting, you may submit your vote in person, and any previous votes that you submitted, whether by Internet, phone or mail, will be superseded by the vote that you cast at the Annual Meeting. To obtain directions to be able to attend the Annual Meeting and vote in person, please contact HMS Income Fund, Inc. Investor Relations at (888) 220-6121.

How will proxies be voted?

Shares of Common Stock represented by valid proxies will be voted at the Annual Meeting in accordance with the directions given. If the enclosed proxy card is signed and returned without any directions given, the shares will be voted **"FOR"** the election of the five (5) director nominees named in the proxy and **"FOR"** the ratification of the appointment of Grant Thornton as our independent registered public accounting firm.

Broker non-votes are votes cast for shares held by a broker, bank or other nominee for which such nominee has not received voting instructions from the beneficial owner. On "routine" proposals brought before an annual meeting of stockholders, such nominee is permitted to exercise voting discretion. On "non-routine" proposals, such nominee may not exercise voting discretion. Therefore, in order to cast votes for "non-routine" proposals, stockholders that hold shares in "street name" through a broker, bank or other nominee must provide such broker, bank or nominee with specific voting instructions with respect to such "non-routine" proposals.

The board of directors does not intend to present, and has no information indicating that others will present, any business at the Annual Meeting other than as set forth in the attached Notice of Annual Meeting of Stockholders. However, if other matters requiring the vote of our stockholders come before the Annual Meeting, it is the intention of the persons named in the accompanying proxy card to vote the proxies held by them in accordance with their discretion on such matters.

What vote is required to approve each proposal?

Election of Directors. There is no cumulative voting in the election of our directors. The affirmative vote of a plurality of all of the votes cast in person or by proxy at a meeting at which a quorum is present is necessary for the election of a director. The election of directors is a "non-routine" proposal. Therefore, abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

Ratification of Appointment of Independent Registered Public Accounting Firm. The affirmative vote of a majority of all of the votes cast in person or by proxy at a meeting at which a quorum is present is required to ratify the appointment of Grant Thornton to serve as the Company's independent registered public accounting firm. Abstentions will not be included in determining the number of votes cast and, as a result, will not have any effect on the result of the vote. The ratification of the appointment of Grant Thornton as our independent registered public accounting firm is a "routine" proposal, so broker non-votes may be counted as votes cast. Therefore, if a record stockholder does not provide its broker, bank or nominee with voting instructions, then such broker, bank or nominee will be able to vote the stockholder's shares on his, her or its behalf.

What constitutes a “quorum”?

The presence at the Annual Meeting, in person or represented by proxy, of the holders of a majority (greater than 50 percent) of the shares of Common Stock entitled to vote at the Annual Meeting constitutes a quorum for the transaction of business.

In the event that a quorum is not present at the Annual Meeting, the Chairman of the Annual Meeting shall have the power to adjourn the Annual Meeting from time to time to a date not more than 120 days after the original record date without notice other than the announcement at the Annual Meeting to permit further solicitation of proxies. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought. Any business that might have been transacted at the Annual Meeting originally called may be transacted at any such adjourned session at which a quorum is present.

If sufficient votes in favor of one or more proposals have been received by the time of the Annual Meeting, the proposals will be acted upon and such actions will be final, regardless of any subsequent adjournment to consider other proposals.

How can I change my vote or revoke a proxy?

You have the unconditional right to revoke your proxy at any time prior to the voting thereof by submitting a later-dated proxy (either in the mail, or by telephone or the Internet), by attending the Annual Meeting and voting in person or by written notice to us addressed to: HMS Income Fund, Inc., Attention: Ryan T. Sims, Chief Financial Officer and Secretary, 2800 Post Oak Boulevard, Suite 5000, Houston, Texas 77056-6118. No written revocation shall be effective, however, unless and until it is received by us at or prior to the Annual Meeting.

What if I return my proxy but do not mark it to show how I am voting?

If your proxy card is signed and returned without specifying your choices, your shares will be voted as recommended by the board of directors.

What are the recommendations of the board of directors?

The board of directors recommends that you vote **“FOR”** the election of the five (5) director nominees named in the proxy and **“FOR”** the ratification of the appointment of Grant Thornton as our independent registered public accounting firm.

Will you incur expenses in soliciting proxies?

We will bear all costs associated with soliciting proxies for the Annual Meeting. Solicitations may be made on behalf of our board of directors by mail, personal interview, telephone or other electronic means by our officers and other employees of HMS Adviser LP (our “Adviser”), who will receive no additional compensation. We have retained Alliance Advisors to aid in the solicitation of proxies. We will pay Alliance Advisors a fee of approximately \$5,000 in addition to variable costs related to the solicitation of proxies as well as reimbursement of its out-of-pocket expenses. We will request banks, brokers, custodians, nominees, fiduciaries and other record holders to forward copies of this proxy statement to people on whose behalf they hold shares of our Common Stock and to request authority for the exercise of proxies by the record holders on behalf of those people. In compliance with the regulations of the Securities and Exchange Commission (the “SEC”), we will reimburse such persons for reasonable expenses incurred by them in forwarding proxy materials to the beneficial owners of shares of our Common Stock.

What does it mean if I receive more than one proxy card?

Some of your shares of our Common Stock may be registered differently or held through more than one account (e.g., through different brokers or nominees). Each proxy card or voting instruction form only covers those shares of Common Stock held in the applicable account. If you hold shares of Common Stock in more than one account, you will have to provide voting instructions as to all your accounts to vote all your shares of Common Stock. If you hold your shares of our Common Stock in registered form and wish to combine your stockholder accounts in the future, you should contact HMS Income Fund, Inc. Investor Relations at 2800 Post Oak Boulevard, Suite 5000, Houston, Texas 77056-6118 or call us at (888) 220-6121. Combining accounts reduces excess printing and mailing costs, resulting in cost savings to us that benefit you as a stockholder.

What if I receive only one set of proxy materials although there are multiple stockholders at my address?

The SEC has adopted a rule concerning the delivery of documents filed by us with the SEC, including proxy statements and annual reports to stockholders. The rule allows us, with the consent of affected stockholders, to send a single set of any annual report,

proxy statement, proxy statement combined with a prospectus or information statement to any household at which two or more stockholders reside. This procedure is referred to as "Householding." This rule benefits both you and us. It reduces the volume of duplicate information received at your household and helps us reduce expenses. Each stockholder subject to Householding will continue to receive a separate proxy card or voting instruction card.

We will promptly deliver, upon written or oral request, a separate copy of our annual report or proxy statement, as applicable, to a stockholder at a shared address to which a single copy was previously delivered. If you received a single set of disclosure documents for this year, but you would prefer to receive your own copy, you may direct requests for separate copies to HMS Income Fund, Inc. Investor Relations at 2800 Post Oak Boulevard, Suite 5000, Houston, Texas 77056-6118 or call us at (888) 220-6121. Likewise, if your household currently receives multiple copies of disclosure documents and you would like to receive one set, please contact HMS Income Fund, Inc. Investor Relations at the address or phone number above.

How do I submit a stockholder proposal for next year's annual meeting or proxy materials, and what is the deadline for submitting a proposal?

Pursuant to our amended and restated bylaws (the "Bylaws"), in order for a stockholder proposal to be properly submitted for presentation at our 2017 annual meeting, we must receive written notice of the proposal at our executive offices during the period beginning on January 27, 2017 and ending on February 24, 2017. In accordance with Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), if you wish to present a proposal for inclusion in the proxy material for next year's annual meeting, we must receive written notice of your proposal at our executive offices no later than February 24, 2017. All proposals must contain the information specified in, and otherwise comply with, our Bylaws. Proposals should be sent via registered, certified or express mail to: HMS Income Fund, Inc., 2800 Post Oak Boulevard, Suite 5000, Houston, Texas 77056-6118, Attention: Ryan T. Sims, Chief Financial Officer and Secretary. For additional information, see the section in this proxy statement captioned "Stockholder Proposals for the 2017 Annual Meeting."

PROPOSAL ONE:
ELECTION OF DIRECTORS

General

The role of our board of directors is to provide general oversight of the Company's business affairs and to exercise all of the Company's powers except those reserved for the stockholders. The responsibilities of our board of directors also include, among other things, the oversight of the Company's investment activities, the quarterly valuation of the Company's assets, oversight of the Company's financing arrangements and corporate governance activities.

Pursuant to our articles of amendment and restatement (the "Charter") and Bylaws, the number of directors on our board of directors may not be fewer than three or greater than fifteen, a majority of whom must be independent. An "independent director" is defined under our Charter and means a person who is not an "interested person" as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act"). Section 2(a)(19) of the 1940 Act defines an "interested person" to include, among other things, any person who has, or within the last two years had, a material business or professional relationship with the Company. The members of the board of directors that are not independent directors are referred to as interested directors.

We currently have five directors, three of whom are independent. Generally, directors are elected annually by our stockholders, and there is no limit on the number of times a director may be elected to office. Each director serves until the next annual meeting of stockholders or (if longer) until his or her successor has been duly elected and qualified, or until his or her earlier death, removal or resignation. Vacancies on the board of directors may be filled by persons elected by a majority of the remaining directors. A director elected by the board of directors to fill a vacancy shall serve until the next annual meeting of stockholders and until his or her successor is elected and qualified, or until his or her earlier death, removal or resignation.

Nominees for the Board of Directors

If elected at the Annual Meeting, each of the director nominees set forth below would serve until the 2017 annual meeting of stockholders or until his or her successor is elected and has qualified, or, if sooner, until his or her death, resignation or removal. None of the director nominees has been nominated for election pursuant to any agreement or understanding between such person and the Company. Each of the director nominees has indicated their willingness to continue to serve if elected, and each has consented to be named as a nominee.

The proxy holders named on the proxy card intend to vote for the election of the five nominees listed below. The board of directors has selected these nominees on the recommendation of the Nominating and Corporate Governance Committee of the board of directors. If you do not wish your shares to be voted for particular nominees, please identify the exceptions in the designated space provided on the proxy card or, if you are voting by telephone or the Internet, follow the instructions provided when you vote. Directors will be elected by a plurality of all of the affirmative votes cast at the Annual Meeting, in person or by proxy, provided that a quorum is present or represented by proxy. The election of directors is a "non-routine" proposal. Therefore, abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

If, by the time of the Annual Meeting, one or more of the nominees should become unable to serve, shares represented by proxies will be voted for the remaining nominees and for any substitute nominee or nominees designated by the Nominating and Corporate Governance Committee. No proxy will be voted for a greater number of persons than the number of nominees described in this proxy statement.

CORPORATE GOVERNANCE

Board Leadership Structure and Role in Risk Oversight

Through its direct oversight role, and indirectly through its committees, the board of directors performs a risk oversight function for the Company consisting of the following activities: (1) at regular and special board meetings, and on an ad hoc basis as needed, receiving and reviewing reports related to the performance and operations of the Company, our Advisers and our Dealer Manager; (2) reviewing and approving, as applicable, the compliance policies and procedures of the Company; (3) reviewing investment strategies, techniques and the processes used to manage related risks; (4) meeting with representatives of, or reviewing reports prepared by or with respect to, key service providers, including the investment adviser, administrator, distributor, transfer agent, custodian and independent registered public accounting firm of the Company, to review and discuss the activities of the Company and to provide direction with respect thereto; (5) reviewing periodically, and at least annually, the Company's fidelity bond, directors and officers, and errors and omissions insurance policies and such other insurance policies as may be appropriate; and (6) overseeing the Company's accounting and financial reporting processes, including supervision of the Company's independent registered public accounting firm to ensure that they provide timely analyses of significant financial reporting and internal control issues.

The board of directors also performs its risk oversight responsibilities with the assistance of the Company's Chief Compliance Officer. The board of directors receives a quarterly and annual report from the Chief Compliance Officer, who reports on the Company's compliance with applicable securities laws and its internal compliance policies and procedures. In addition, the Company's Chief Compliance Officer prepares a written report annually evaluating the adequacy and effectiveness of the compliance policies and procedures of the Company and certain of its service providers. The Chief Compliance Officer's reports, which are reviewed by the board of directors, address at a minimum: (1) the operation and effectiveness of the compliance policies and procedures of the Company and certain of its service providers since the last report; (2) any material changes to such policies and procedures since the last report; (3) any recommendations for material changes to such policies and procedures as a result of the Chief Compliance Officer's annual review; and (4) any compliance matter that has occurred since the date of the last report about which the board of directors would reasonably need to know to oversee the Company's compliance activities and risks. The Chief Compliance Officer also meets separately in executive session with the independent directors at least once each year. In addition to compliance reports from the Company's Chief Compliance Officer, the board of directors also receives reports from legal counsel to the Company regarding regulatory, compliance and governance matters.

Ms. Schugart has served as our President and Chief Executive Officer since March 15, 2013, and was appointed as Chairman of our board of directors on February 28, 2014. Our board of directors believes that, due to her tenure as our Chief Executive Officer, Ms. Schugart is the director with the most knowledge of the Company's business strategy and is best situated to serve as Chairman of our board of directors.

Our Charter and the regulations governing BDCs generally require that a majority of the board of directors be persons other than "interested persons" of the Company, as defined in Section 2(a)(19) of the 1940 Act. The board of directors does not currently have a lead independent director. Our board of directors believes that its current leadership structure, which places significant responsibilities on committees led by independent directors, is the optimal structure for the Company at this time because it allows the Company's directors to exercise informed and independent judgment, and allocates areas of responsibility among committees of independent directors and the full board of directors in a manner that enhances effective oversight. The board of directors is of the opinion that having a majority of independent directors is appropriate and in the best interest of the Company's stockholders, but also believes that having interested persons serve as directors brings both corporate and financial viewpoints that are significant elements in its decision-making process. Our board of directors reviews its leadership structure periodically to ensure that the leadership structure remains appropriate and will make changes if and when it determines such changes are necessary or proper.

During 2015, our board of directors met ten times and took action through four unanimous written consents. No director attended fewer than 75% of the aggregate of all meetings held during 2015 by our board of directors and by the committees on which the director served. We encourage, but do not require, our directors to attend the Annual Meeting. We anticipate that all of our directors, each of whom has been nominated for re-election, will attend the Annual Meeting. Each of our directors attended the 2015 annual meeting of stockholders.

Committees of the Board of Directors

The four standing committees of our board of directors are: the Pricing Committee, the Audit Committee, the Nominating and Corporate Governance Committee and the Conflicts Committee. You may obtain copies of the charters for each of the Audit Committee, the Nominating and Corporate Governance Committee and the Conflicts Committee from our website at

www.hinessecurities.com/bdcs/hms-income-fund/corporate-governance/. Each of the Audit, Nominating and Corporate Governance and Conflicts committees currently has three members and is composed entirely of independent directors.

The board of directors has not established a standing compensation committee because the executive officers of the Company do not receive any direct compensation from the Company. The board of directors, as a whole, participates in the consideration of director compensation and decisions on director compensation are based on a review of data of comparable BDCs. Because we do not directly compensate our executive officers, the board of directors does not produce and/or review a report on executive compensation practices.

Pricing Committee

Unless our stockholders allow us to do so, we are prohibited from selling shares of our Common Stock at a price below current net asset value, exclusive of any distributing commission or discount. The Pricing Committee is responsible for assisting the board of directors in ensuring that the shares sold in our continuous offering that are effected at weekly closings do not contravene this restriction. The Pricing Committee considers various factors, including the valuations of our investment portfolio provided by our Advisers in determining whether the standard has been met. Ms. Schugart and Mr. Meserve currently serve as the members of our Pricing Committee.

Audit Committee

The Audit Committee assists the board of directors in overseeing:

- the integrity of our financial statements and other information to be provided to our stockholders;
- our compliance with legal and regulatory requirements;
- the independent auditors' qualifications and independence;
- the performance of our risk management function and independent auditors; and
- our systems of disclosure controls and procedures and internal controls over financial reporting.

Messrs. Geib, Niemann and Shaper serve as the members of our Audit Committee, and Mr. Niemann serves as the Chairman of the Audit Committee. Our board of directors has determined that each of the members of the Audit Committee meets the independence standards established by the SEC for audit committees and is not an "interested person" for purposes of the 1940 Act. In addition, our board of directors has determined that Mr. Niemann is an "audit committee financial expert" as defined by Item 407(d)(5)(ii) of Regulation S-K promulgated under the Exchange Act. Unless otherwise determined by the board of directors, no member of the committee may serve as a member of the Audit Committee of more than three other public companies.

During 2015, the Audit Committee was comprised of three members and held six meetings. All of the members of this committee attended the six Audit Committee meetings during 2015.

The Audit Committee's report on our financial statements for the fiscal year ended December 31, 2015 is presented below under the heading "Audit Committee Report."

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee, in performing its duties:

- assists our board of directors in identifying individuals qualified to become members of our board of directors;
- recommends candidates to our board of directors to fill vacancies on the board of directors and to stand for election by the stockholders at the annual meeting;
- recommends committee assignments for directors to the full board of directors;
- recommends a successor to the Company's Chief Executive Officer when a vacancy occurs;
- periodically assesses the performance of our board of directors;
- reviews and recommends appropriate corporate governance policies and procedures to our board of directors; and
- reviews and monitors our code of business conduct and ethics for senior executive and financial officers, and any other corporate governance policies and procedures we may have from time to time.

Messrs. Geib, Niemann and Shaper serve as the members of our Nominating and Corporate Governance Committee, and Mr. Geib serves as the Chairman of the Nominating and Corporate Governance Committee. Our board of directors has determined that each member of our Nominating and Corporate Governance Committee meets the independence standards established by the SEC for governance committees and is not an "interested person" for purposes of the 1940 Act.

Among the criteria the committee uses in evaluating the suitability of individual nominees for our board of directors (whether such nominations are made by management, a stockholder or otherwise), the committee considers each nominee's:

- personal and professional integrity, experience and skills;
- ability and willingness to devote the time and effort necessary to be an effective board member;
- commitment to acting in our best interests and the best interests of our stockholders; and
- compliance with the independence and other applicable requirements of the 1940 Act and the SEC and all other applicable laws, rules, regulations and listing standards.

The committee also gives consideration to the diversity of the board of directors in terms of having an appropriate mix of experience, education and skills, the requirements contained in our Charter and each nominee's ability to exercise independence of thought, objective perspective and mature judgment and understand our business operations and objectives.

If the board of directors determines to seek additional directors for nomination, the Nominating and Corporate Governance Committee considers whether it is advisable to retain a third-party search firm to identify candidates. During 2015, the Company paid no fees to third-parties to assist in identifying or evaluating potential nominees. The Nominating and Corporate Governance Committee also considers nominees timely submitted by stockholders under and in accordance with the provisions of our Bylaws. For additional information regarding this process, see "Stockholder Proposals for the 2017 Annual Meeting" below. A stockholder's notice must set forth specified information as to each person whom the stockholder proposes to nominate for election to the board of directors, including all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, by Regulation 14A under the Exchange Act (including such person's written consent to being named in the proxy statement as a nominee and to serve as a director if elected). The Nominating and Corporate Governance Committee will consider all such nominees and will take into account all factors the committee determines are relevant, including the factors summarized above.

During 2015, the Nominating and Corporate Governance Committee was comprised of three members and held three meetings. All of the members of this committee attended the three Nominating and Corporate Governance Committee meetings held during 2015.

Conflicts Committee

Messrs. Geib, Niemann and Shaper serve as the members of our Conflicts Committee, and Mr. Shaper serves as the Chairman of the Conflicts Committee. The Conflicts Committee reviews and approves specific matters that the board of directors believes may involve conflicts of interest to determine whether the resolution of the conflict of interest is fair and reasonable to us and our stockholders. The Conflicts Committee is responsible for reviewing and approving the terms of all transactions between us, on the one hand, and our Adviser, our Sub-Adviser, Hines or any member of our board of directors, or any of their respective affiliates, on the other hand, including the annual renewal of the investment advisory and administrative services agreement (the "Investment Advisory Agreement") between us and our Adviser, the Sub-Advisory Agreement and the Dealer Manager agreement between us and the Dealer Manager. The Conflicts Committee is also responsible for reviewing and approving each purchase or lease by us of property from an affiliate or purchase or lease by an affiliate from us. The Conflicts Committee is responsible for reviewing our Advisers' performance and the fees and expenses paid by us to our Advisers and any of their respective affiliates. The review of such fees and expenses is required to be performed with sufficient frequency, but at least annually, to determine that the expenses incurred are in the best interest of our stockholders.

During 2015, the Conflicts Committee was comprised of three members and held five meetings, and took action through eight unanimous written consents. All of the members of the Conflicts Committee attended the meetings except one meeting which was attended by two of the three members.

The Conflicts Committee has reviewed our policies and reports to determine if they are being followed by us and whether they are in the best interests of our stockholders.

The Conflicts Committee reviewed the material transactions between our Adviser, our Sub-Adviser and Hines and their respective affiliates and the Company that occurred during 2015, which transactions are described in "Certain Relationships and Related Transactions" below, and has determined that all our transactions and relationships with our Advisers and Hines and their respective affiliates during 2015 were fair and were approved in accordance with the policies referenced in "Certain Relationships and Related Transactions" below.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our Advisers

Our Adviser is registered as an investment adviser under the Advisers Act. Our Adviser is wholly-owned by Hines. Hines is indirectly owned and controlled by Gerald D. Hines and Jeffrey C. Hines. Our Chief Financial Officer and Chief Compliance Officer and the other investment professionals may also serve as principals of other investment managers affiliated with our Adviser or Hines that may in the future manage investment funds with an investment objective similar to ours.

Main Street and an investor in our initial formation transaction that is an affiliate of Hines (the "Hines Investor") have entered into a letter agreement pursuant to which the Hines Investor has the right to sell to Main Street up to one-third of its equity interest in the Company at a price per share equal to the then-current price to the public in the offering (less the selling commissions and Dealer Manager fee of 10%) at the time of exercise of the right. The Hines Investor may exercise the right from time to time, in whole or in part, subject only to the condition that immediately following Main Street's purchase, Main Street's ownership would not exceed the limits on investment company ownership of other investment companies as set forth in the 1940 Act.

Any transaction with our affiliates must be fair and reasonable to us and on terms no less favorable than could be obtained from an unaffiliated third party and must be approved by a majority of the directors that have no financial interest in the transaction and a majority of such directors that are not interested persons of the Company.

We have entered into our Investment Advisory Agreement with our Adviser pursuant to which we pay our Adviser a fee for its services consisting of two components — a management fee and an incentive fee. The management fee is calculated at an annual rate of 2.0% of our average gross assets. The term "gross assets" means all assets of the Company, including cash, cash equivalents and the Company's borrowings that are used for investment purposes. The incentive fee consists of two parts. The first part, which is referred to as the subordinated incentive fee on income, is calculated and payable quarterly in arrears and equals 20.0% of our pre-incentive fee net investment income for the immediately preceding quarter, expressed as a quarterly rate of return on adjusted capital at the beginning of the most recently completed calendar quarter, exceeding 1.875% (or 7.5% annualized), subject to a "catch up" feature. For purposes of this fee, adjusted capital means cumulative gross proceeds generated from sales of our Common Stock (including proceeds from our distribution reinvestment plan) reduced for non-liquidating distributions, other than distributions of profits, paid to our stockholders and amounts paid for share repurchases pursuant to our share repurchase program. The second part of the incentive fee, which is referred to as the incentive fee on capital gains, is an incentive fee on realized capital gains earned from the portfolio of the Company and is determined and payable in arrears as of the end of each calendar year (or upon termination of the Investment Advisory Agreement). This fee equals 20.0% of our incentive fee capital gains, which equals our realized capital gains on a cumulative basis from inception, calculated as of the end of each calendar year, computed net of all realized capital losses and unrealized capital depreciation on a cumulative basis, less the aggregate amount of any previously paid capital gain incentive fees. Officers of the general partner of our Adviser and of our Adviser receive a benefit from the fees paid to our Adviser pursuant to the Investment Advisory Agreement.

The Sub-Advisory Agreement among our Adviser, Main Street, our Sub-Adviser and us provides that our Sub-Adviser will receive 50% of all fees payable to our Adviser under the Investment Advisory Agreement.

Additionally, pursuant to our Investment Advisory Agreement, to the extent necessary, our Adviser, with the assistance of our Sub-Adviser, provides certain administrative services in connection with the proper conduct and operation of our business, including legal, accounting, tax, insurance and investor relation services, to us. Except to the extent waived, we are required to reimburse our Advisers for the actual cost of the administrative services they provide. We are also required to reimburse our Advisers for the actual expenses they or their affiliates, or any third-party administrator incur in connection with the provision of administrative services to us, including the personnel and related employment direct costs and overhead of our Advisers or their affiliates, or any third-party administrator for provision of administrative services (as opposed to investment advisory services). We are not required to reimburse our Advisers for personnel costs in connection with services for which our Advisers or their affiliates, or any third-party administrator receives a separate fee.

The Investment Advisory Agreement provides that our Advisers and their respective officers, directors, controlling persons and any other person or entity affiliated with them acting as our agent are entitled to indemnification (including reasonable attorneys' fees and amounts reasonably paid in settlement) for any liability or loss suffered by such indemnitee, and such indemnitee will be held harmless for any loss or liability suffered by us, if (i) the indemnitee has determined, in good faith, that the course of conduct which caused the loss or liability was in the Company's best interests, (ii) the indemnitee was acting on behalf of or performing services for the Company, (iii) the liability or loss suffered was not the result of negligence, willful malfeasance, bad faith or misconduct by the indemnitee or an affiliate thereof acting as the Company's agent and (iv) the indemnification or agreement to hold the indemnitee harmless is only recoverable out of the Company's net assets and not from the Company's stockholders.

Our stockholders and our board of directors, which consists of a majority of non-interested directors, has approved the Investment Advisory Agreement and the Sub-Advisory Agreement, including the fees paid pursuant to each such agreement.

Management and Incentive Fee Waiver

On May 31, 2012, we and our Advisers entered into a conditional fee waiver agreement (the "Conditional Fee Waiver Agreement"). The Conditional Fee Waiver Agreement contained a clause which states that at the sole and absolute discretion of our board of directors, in future periods, previously waived fees may be paid to our Advisers if and only to the extent that our cumulative net increase in net assets resulting from operations exceeds the amount of cumulative distributions paid to stockholders. The previously waived fees are potentially subject to repayment by us, if at all, within a period not to exceed three years from the date of each respective fee waiver. We do not anticipate terminating the Conditional Fee Waiver Agreement in the foreseeable future and intend to continue to remain obligated to repayment of fee waivers by our Adviser pursuant to the terms of the Conditional Fee Waiver Agreement.

On December 30, 2013, we and our Advisers agreed to an amendment to the Conditional Fee Waiver Agreement which extended the term of the fee waiver with respect to our Adviser through December 31, 2014. The terms of the fee waiver were not extended with respect to the Sub-Adviser, whose waiver expired on December 31, 2013 (except with respect to a subordinated incentive fee on income payable for the period October 1, 2014 to December 31, 2014, which the Sub-Adviser agreed to waive).

On April 15, 2015, we and our Advisers agreed to a fee waiver amendment (the "2015 Fee Waiver Amendment"), under which our Advisers have agreed to extend the term of the fee waiver with respect to our Adviser through December 31, 2015. Our Adviser has no obligation to waive fees pursuant to the Conditional Fee Waiver Agreement after December 31, 2015 unless the fee waiver period is further extended. The terms of the fee waiver were not extended with respect to our Sub-Adviser (except for the subordinated incentive fee on income for the period January 1, 2015 to December 31, 2015, which our Sub-Adviser has agreed to waive).

In a separate agreement between our Adviser and our Sub-Adviser dated April 15, 2015 and effective January 1, 2015, our Sub-Adviser agreed to conditionally reimburse our Adviser for 50% of the fees waived each quarter in 2015, up to \$200,000 in total waived fees per quarter. If the total amount conditionally reimbursed by our Sub-Adviser in 2015 is less than both (i) 50% of the fees waived by our Adviser for 2015 excluding any previously reimbursed amounts and (ii) \$400,000, then our Sub-Adviser will reimburse our Adviser, in connection with the payment of management fees to our Sub-Adviser for the fourth quarter of 2015, the difference between (A) 50% of the fees waived by our Adviser for 2015 excluding any previously reimbursed amounts minus (B) any amounts conditionally reimbursed by our Sub-Adviser in 2015, up to a maximum of \$400,000 of total conditional reimbursements by our Sub-Adviser.

Reimbursement of previously waived fees will only be permitted (1) with the approval of our board of directors, (2) if our operating expense ratio is equal to or less than our operating expense ratio at the time the corresponding fees were waived and (3) if the

annualized rate of regular cash distributions to stockholders is equal to or greater than the annualized rate of the regular cash distributions at the time the corresponding fees were waived.

For the years ended December 31, 2015, 2014, and 2013, we incurred base management fees of approximately \$15.5 million, \$5.6 million and \$779,000, respectively, capital gains incentive fees of approximately \$0, \$0 and \$5,000, respectively, and subordinated incentive fees on income of \$2.6 million, \$451,000 and \$0, respectively. For the years ended December 31, 2015, 2014 and 2013, the Advisers waived base management fees of \$0, \$1.8 million and \$779,000, respectively, and capital gains incentive fees of \$0, \$0 and \$5,000, respectively, and subordinated incentive fees on income of \$2.6 million, \$451,000 and \$0, respectively. Accordingly, net of waivers, we paid base management fees of approximately \$15.5 million for the year ended December 31, 2015, \$3.8 million for the year ended December 31, 2014 and no base management fees for the year ended December 31, 2013, and net of waivers, for the years ended December 31, 2015, 2014, and 2013, we incurred capital gains incentive fees of approximately \$0, \$0 and \$0, respectively, and subordinated incentive fees on income of \$0, \$0 and \$0, respectively. During the years ended December 31, 2015, 2014 and 2013, we did not record an accrual for any previously waived fees. Any future reimbursement of previously waived fees to our Advisers will not be accrued until the reimbursement of the waived fees become probable and estimable, which will be upon approval by our board of directors. To date none of the previously waived fees have been approved by the board of directors for reimbursement.

On November 11, 2013, we entered into an Expense Support and Conditional Reimbursement Agreement (the "2013 Expense Reimbursement Agreement") with the Adviser. Under the 2013 Expense Reimbursement Agreement, until December 31, 2013 or a prior date mutually agreed to by both parties, the Adviser will pay us up to 100% of our operating expenses (the "Expense Support Payment") in order to achieve a reasonable level of expenses relative to our investment income (the "Operating Expense Objective"). Operating expenses are defined as 2013 third party operating costs and expenses incurred by us under generally accepted accounting principles in the United States ("GAAP") for investment management companies. The board of directors, in its sole discretion, may approve the repayment of unreimbursed Expense Support Payments (a "Reimbursement Payment") upon a determination by the board of directors that we have achieved the Operating Expense Objective in any quarter following receipt by us of an Expense Support Payment. Under the 2013 Expense Reimbursement Agreement, any unreimbursed Expense Support Payment may be reimbursed by us within a period not to exceed three years from the date each respective Expense Support Payment was determined. Any Expense Support Payments that remain unreimbursed three years after such payment will be permanently waived. Pursuant to the terms of the 2013 Expense Reimbursement Agreement, for the year ended December 31, 2013, the Adviser made an Expense Support Payment of \$153,000 to us.

On December 30, 2013, we agreed to an Expense Support and Conditional Reimbursement Agreement with our Adviser, which was subsequently amended on March 31, 2014, June 30, 2014 and September 30, 2014 (as amended, the "2014 Expense Reimbursement Agreement"). Under the 2014 Expense Reimbursement Agreement, until December 31, 2014, or a prior date mutually agreed to by both parties, the Adviser, at its sole discretion, will pay to us an Expense Support Payment in order to achieve the Operating Expense Objective. Operating expenses are defined as third party operating costs and expenses incurred by the Company between January 1, 2014, and December 31, 2014, under GAAP for investment management companies. The board of directors, in its sole discretion, may approve the repayment of Reimbursement Payments upon a determination by the board of directors that we have achieved the Operating Expense Objective in any quarter following receipt by us of an Expense Support Payment. Under the 2014 Expense Reimbursement Agreement, any unreimbursed Expense Support Payment may be reimbursed by us within a period not to exceed three years from the date each respective Expense Support Payment was determined, but only after any Expense Support Payment amounts have been reimbursed under the 2013 Expense Reimbursement Agreement. Any Expense Support Payments that remain unreimbursed three years after such payment will be permanently waived. The 2014 Expense Reimbursement Agreement may be terminated by us at any time, and will automatically terminate upon termination of the Investment Advisory Agreement or upon our liquidation or dissolution.

During the year ended December 31, 2014, we received an Expense Support Payment of \$328,000, which the Adviser paid to us on October 30, 2014. The Expense Support Payment from the Adviser of \$328,000 may be reimbursed by us within a period not to exceed three years, subject to approval by our board of directors. As discussed above, the reimbursement of this Expense Support Payment from us to the Adviser is only permitted after the reimbursement of the Expense Support Payment of \$153,000 that was made in 2013. As of December 31, 2014, none of these amounts have been approved for reimbursement by the board of directors.

On April 15, 2015, we and our Adviser agreed to amendments to the 2013 Expense Reimbursement Agreement and the 2014 Expense Reimbursement Agreement, in which reimbursement of Expense Support Payments made under the 2013 Expense Reimbursement Agreement and the 2014 Expense Reimbursement Agreement will be made in accordance with and subject to the 2015 Fee Waiver Amendment. Per the 2015 Fee Waiver Amendment, reimbursements of waived fees in calendar year 2015 and beyond will be determined quarterly. Thus, in any quarter where a surplus exists, that surplus will be available, subject to approval of our board of directors, to reimburse waived fees and Expense Support Payments as follows:

1. First, to reimburse waived fees related to any preceding calendar quarter(s) within the same calendar year;
2. Second, to reimburse 2013 Expense Support Payments;
3. Third, to reimburse 2014 Expense Support Payments;
4. Fourth, to reimburse waived fees related to prior years, beginning with the earliest year eligible for reimbursement.

The table below presents the fees and expenses waived by the Advisers and the timing of potential reimbursement of waived fees (dollars in thousands). Previously waived fees will only be reimbursed with the approval of the Company's board of directors and if the "Operating Expense Ratio" (as described in footnote 3 to the table below) is equal to or less than the Company's operating expense ratio at the time the corresponding fees were waived and if the annualized rate of the Company's regular cash distributions to stockholders is equal to or greater than the annualized rate of the Company's regular cash distributions at the time the corresponding fees were waived.

- (1) Fees waived pursuant to the Conditional Fee Waiver Agreement and Expense Support Payments pursuant to the 2013 and 2014 Expense Reimbursement Agreements.
- (2) Subject to the approval of the Company's board of directors, in future periods, previously waived fees may be paid to the Advisers if the Company's cumulative net increase in net assets resulting from operations exceeds the amount of cumulative distributions paid to stockholders. The previously waived fees are potentially subject to repayment by the Company, if at all, within a period not to exceed three years from the date of each respective fee waiver. To date, none of the previously waived fees and Expense Support Payments has been approved for reimbursement by the Company's board of directors.
- (3) The "Operating Expense Ratio" is calculated on a quarterly basis as a percentage of average net assets and includes all expenses borne by the Company, except for base management and incentive fees and administrative expenses waived by the Advisers and organizational and offering expenses. For the quarter ended December 31, 2013, expenses were reduced by \$153,000, the amount of the Expense Support Payment received in 2013 from the Adviser. For the quarter ended September 30, 2014, expenses were reduced by \$328,000, which Expense Support Payment was received from the Adviser on October 30, 2014.
- (4) "Annualized Distribution Rate" equals \$0.00191781 per share, per day. "Annualized Distribution Rate" does not include the special stock dividend paid to stockholders on September 14, 2012 and was based on the Company's offering price per share as of the final day of the quarter.

Pursuant to the Investment Advisory Agreement and Sub-Advisory Agreement, the Company is required to pay or reimburse the Advisers for administrative services expenses, which include all costs and expenses related to the day-to-day administration and management of the Company not related to advisory services. For the years ended December 31, 2015, 2014, and 2013, the Company incurred, and the Advisers waived the reimbursement of, administrative services expenses of approximately \$2.0 million, \$1.5 million and \$1.0 million, respectively. The Advisers have agreed to waive the reimbursement of administrative services expenses through December 31, 2015. The waiver of the reimbursement of administrative services expenses is not subject to future reimbursement.

The table below presents the administrative services expenses waived by the Advisers (dollars in thousands).

(3) The Advisers agreed to permanently waive reimbursement by the Company of administrative expenses through December 31, 2015. The administrative expenses are waived on a quarterly basis and are not eligible for future reimbursement from the Company to the Advisers.

Allocation of the Adviser’s Time

We rely, in part, on the Adviser to manage our day-to-day activities and to implement our investment strategy. Our Adviser and certain of its affiliates are presently, and plan in the future to continue to be, involved with activities which are unrelated to us. Additionally, except for certain restrictions on our Adviser set forth in the Sub-Advisory Agreement, our Adviser and its affiliates are not restricted from forming additional investment funds, from entering into other investment advisory relationships or from engaging in other business activities, even though such activities may be in competition with us and/or may involve substantial time and resources of our Adviser. As a result of these activities, our Adviser, its employees and certain of its affiliates will have conflicts of interest in allocating their time between us and other activities in which they are or may become involved. Therefore, our Adviser, its personnel, and certain affiliates may experience conflicts of interest in allocating management time, services, and functions among us and any other business ventures in which they or any of their key personnel, as applicable, are or may become involved. This could result in actions that are more favorable to other affiliated entities than to us. However, our Adviser believes that it and its affiliates have sufficient personnel to discharge fully their responsibilities to all activities in which they are involved.

Allocation of the Sub-Adviser’s Time

We rely on the Sub-Adviser to identify investment opportunities, perform, or cause to be performed, due diligence procedures and provide due diligence information to our Adviser, monitor our investment portfolio and make investment recommendations to our Adviser, as well as provide ongoing portfolio management services to the Adviser with respect to our investment portfolio. The Sub-Adviser, its affiliates and their respective members, partners, officers and employees will devote as much of their time to our activities as they deem necessary and appropriate. Except for certain restrictions on the Sub-Adviser set forth in the Sub-Advisory Agreement, the Sub-Adviser and its affiliates are not restricted from forming additional investment funds, from entering into other investment advisory relationships or from engaging in other business activities, even though such activities may be in competition with us and/or may involve substantial time and resources of the Sub-Adviser. These activities could be viewed as creating a

conflict of interest in that the time and effort of the members of the Sub-Adviser, its affiliates and their officers and employees are not devoted exclusively to our business but will be allocated between us and the management of Main Street's assets.

Affiliated Dealer Manager

We have engaged Hines Securities, Inc., an affiliate of Hines, as our Dealer Manager and pay fees to such entity pursuant to the Dealer Manager agreement. Under the terms of the Dealer Manager agreement, our Dealer Manager acts, and will continue to act, as our exclusive Dealer Manager until the end of our offering or until the Dealer Manager agreement is terminated by us or them.

Credit Facility with Main Street

On December 12, 2011, our predecessor-in-interest, HMS Income LLC, entered into a loan agreement with Main Street for a \$7,500,000 senior secured single advance term loan credit facility (the "Main Street Facility"). On December 12, 2011, HMS Income LLC fully drew the entire committed principal amount under the Main Street Facility in order to acquire from Main Street approximately \$16.5 million of investments utilizing its initial equity investment and proceeds from the Main Street Facility. On May 24, 2012, HMS Income LLC entered into a \$15 million senior secured revolving credit facility with Capital One Bank, N.A. (the "Credit Facility"), and immediately borrowed \$7 million under the Credit Facility, which proceeds were used in the repayment in full of the Main Street Facility. We succeeded as the borrower under the Credit Facility upon the merger of HMS Income LLC with and into us on May 31, 2012. During the year ended December 31, 2015, there were no borrowings made under the Main Street Facility and no amounts were available for borrowing under the Main Street Facility.

Co-Investment

As a BDC, we are subject to certain regulatory restrictions in making our investments, including limitations on our ability to co-invest with certain affiliates. However, we received exemptive relief from the SEC that permits us, subject to certain conditions, to co-invest with Main Street in certain transactions originated by Main Street and/or our Advisers. The exemptive relief permits us, and certain of our directly or indirectly wholly owned subsidiaries on one hand, and Main Street, and/or certain of its affiliates, on the other hand, to co-invest in the same investment opportunities where such investment would otherwise be prohibited under Section 57(a)(4) of the 1940 Act.

We expect that co-investments between us and Main Street will be the norm rather than the exception, as substantially all potential co-investments that are appropriate investments for us should also be appropriate investments for Main Street, and vice versa. Limited exceptions to co-investing will be based on available capital, diversification and other relevant factors. Accordingly, our Sub-Adviser treats every potential investment in lower middle market securities evaluated by Main Street as a potential investment opportunity for us, determines the appropriateness of each potential investment for co-investment by us, provides to our Adviser, in advance, information about each potential investment that it deems appropriate for us and proposes an allocation between us and Main Street. If our Adviser deems such potential co-investment transaction and proposed allocation appropriate for us, our Adviser will present the transaction and the proposed allocation to the members of our board of directors who are (1) not interested persons of us or Main Street, and (2) who do not have a financial interest in the proposed transaction or the proposed portfolio company, which directors are referred to as "Eligible Directors." Our Sub-Adviser will present the transaction and the proposed allocation for Main Street to the Eligible Directors of the Main Street board of directors. Each board of directors, including a majority of the Eligible Directors of each board of directors, will approve each proposed co-investment transaction and the related allocation prior to the consummation of any co-investment transaction. No independent director on our board of directors or Main Street's board of directors will have any direct or indirect financial interest in any co-investment transaction or any interest in any related portfolio company, other than through an interest (if any) in our or Main Street's securities, as applicable. Additional information regarding the operation of the co-investment program is set forth in the order granting exemptive relief, which may be reviewed on the SEC's website at www.sec.gov.

In addition to the co-investment program described above and in the exemptive relief, we may continue to co-invest in syndicated deals and secondary loan market purchases in accordance with applicable regulatory guidance or interpretations, which may include instances where price is the only negotiated point.

Appraisal and Compensation

Our Charter provides that, in connection with any transaction involving a merger, conversion or consolidation, either directly or indirectly, involving us and the issuance of securities of a surviving entity after the successful completion of such transaction, or "roll-up," an appraisal of all our assets will be obtained from a competent independent expert which will be filed as an exhibit to the registration statement registering the roll-up transaction. Such appraisal will be based on all relevant information and will indicate the value of our assets as of a date immediately prior to the announcement of the proposed roll-up. The engagement of

such independent expert will be for the exclusive benefit of the Company and our stockholders. A summary of such appraisal will be included in a report to our stockholders in connection with a proposed roll-up. All stockholders will be afforded the opportunity to vote to approve such proposed roll-up, and will be permitted to (a) accept the securities of a roll-up entity offered in the proposed roll-up; or (b) one of the following: (i) remain as holders of Common Stock preserving their interests therein on the same terms and conditions as existed previously; or (ii) receive cash in an amount of such stockholder's pro rata share of the appraised value of our net assets.

Sales and Leases to Company

Our Charter provides that, except as otherwise permitted under the 1940 Act, the Company may not purchase or lease assets in which our Adviser or any of its affiliates has an interest unless all of the following conditions are met: (a) the transaction occurs at the formation of the Company and is fully disclosed to the stockholders in a prospectus or in a periodic report; and (b) the assets are sold or leased upon terms that are reasonable to the Company and at a price not to exceed the lesser of cost or FMV as determined by an independent expert. However, our Adviser may purchase assets in its own name (and assume loans in connection) and temporarily hold title, for the purposes of facilitating the acquisition of the assets, the borrowing of money, obtaining financing for the Company, or the completion of construction of the assets, so long as all of the following conditions are met: (i) the assets are purchased by the Company at a price no greater than the cost of the assets to our Adviser; (ii) all income generated by, and the expenses associated with, the assets so acquired will be treated as belonging to the Company; and (iii) there are no other benefits arising out of such transaction to our Adviser apart from compensation otherwise permitted by the NASAA Omnibus Guidelines.

Sales and Leases to the Adviser, Directors or Affiliates

Our Charter provides that the Company may not sell assets to our Adviser or any affiliate thereof unless such sale is duly approved by the holders of shares of stock entitled to cast a majority of all the votes entitled to be cast on the matter. The Company may not lease assets to our Adviser or any affiliate thereof unless all of the following conditions are met: (a) the transaction is fully disclosed to the stockholders in a periodic report filed with the SEC or otherwise; and (b) the terms of the transaction are fair and reasonable to the Company.

Loans

Our Charter provides that, except for the advancement of indemnification funds, no loans, credit facilities, credit agreements or otherwise may be made by the Company to our Adviser or any of its affiliates.

Commissions on Financing, Refinancing or Reinvestment

Our Charter provides that the Company generally may not pay, directly or indirectly, a commission or fee to our Adviser or any affiliate thereof in connection with the reinvestment of profits and available reserves or of the proceeds of the refinancing of assets.

Lending Practices

Our Charter provides that any adviser may not provide financing with a term in excess of 12 months for the Company, and with respect to financing made available to the Company by any adviser, such adviser may not receive interest in excess of the lesser of such adviser's cost of funds or the amounts that would be charged by unrelated lending institutions on comparable loans for the same purpose. An adviser may not impose a prepayment charge or penalty in connection with such financing and such adviser may not receive points or other financing charges.

Director Independence

While we are not listed on NASDAQ, we comply with NASDAQ's corporate governance rules requiring listed companies to have a board of directors with at least a majority of independent directors. Under NASDAQ's corporate governance rules, in order for a director to be deemed independent, our board of directors must determine that the individual does not have a relationship that would interfere with the director's exercise of independent judgment in carrying out his or her responsibilities. On an annual basis, each member of our board of directors is required to complete an independence questionnaire designed to provide information to assist the board of directors in determining whether the director is independent under NASDAQ's corporate governance rules, the 1940 Act and our corporate governance guidelines. Our board of directors has determined that each of our directors, other than Mr. Meserve and Ms. Schugart, is independent under the listing standards of the NASDAQ Stock Market LLC, the Exchange Act and the 1940 Act.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" EACH OF THE DIRECTOR NOMINEES.

PROPOSAL TWO:

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Grant Thornton LLP ("Grant Thornton"), Grant Thornton Tower, 171 N. Clark Street, Suite 200, Chicago, Illinois 60601, serves as our independent registered public accounting firm and reports directly to our Audit Committee. Grant Thornton audited our financial statements for the fiscal years ended December 31, 2015, December 31, 2014, December 31, 2013, December 31, 2012 and during the period from November 22, 2011 (inception) to December 31, 2011. Representatives of Grant Thornton will be present in person or telephonically during the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and will be available to respond to questions from our stockholders.

Audit Fees

Grant Thornton serves as our principal accounting firm. Grant Thornton's aggregate fees billed to us for the fiscal years ended December 31, 2015 and December 31, 2014 are as follows:

Period	Audit Fees ⁽¹⁾	Audit-Related Fees ⁽²⁾	Tax Fees ⁽³⁾	All Other Fees ⁽⁴⁾	Total Fees
Fiscal year ended December 31, 2015	\$386,922	—	—	—	\$386,922
Fiscal year ended December 31, 2014	\$242,210	—	—	—	\$242,210

(1) "Audit Fees" are those fees billed for professional services rendered for the audit of our year-end financial statements and services that are normally provided in connection with statutory and regulatory filings.

(2) "Audit-Related Fees" are those fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under "Audit Fees." These services include attestation services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.

(3) "Tax Fees" are those fees billed for professional services for tax compliance. Grant Thornton provided no professional services for tax compliance during the fiscal years ended December 31, 2015 and 2014.

(4) "All Other Fees" are those fees billed for services, other than the services reported above, related to our registration statements and related prospectuses.

Pre-approval Policies and Procedures

Our Audit Committee has adopted a pre-approval policy requiring the Audit Committee to pre-approve all audit and permissible non-audit services to be performed by Grant Thornton. In determining whether or not to pre-approve services, the Audit Committee will consider whether the service is a permissible service under the rules and regulations promulgated by the SEC, and, if permissible, the potential effect of such services on the independence of Grant Thornton. All services performed for us for the fiscal years ended December 31, 2015 and December 31, 2014 were pre-approved or ratified by our Audit Committee.

Audit Committee Report

To the Directors of HMS Income Fund, Inc.:

We have reviewed HMS Income Fund, Inc.'s audited consolidated financial statements as of and for the year ended December 31, 2015 and discussed them with management and the Company's independent registered public accounting firm.

We have discussed with the independent registered public accounting firm the matters required to be discussed by PCAOB Auditing Standard No. 16 "Communications with Audit Committees."

We have received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor communications with the audit committee concerning independence, and we have discussed with the auditors the auditors' independence. We have also considered whether the auditors' provision of non-audit services to HMS Income Fund, Inc. and its affiliates is compatible with the auditors' independence.

Based on the reviews and discussions referred to above, we recommended to the board of directors that the financial statements referred to above be included in HMS Income Fund, Inc.'s Annual Report on Form 10-K for the year ended December 31, 2015.

The Audit Committee also recommended the appointment of Grant Thornton LLP to serve as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2016.

The material in the Audit Committee Report is not “soliciting material,” is not deemed “filed” with the SEC, and is not to be incorporated by reference into any filing of the Company under the Securities Act or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

Required Vote

Although not required by law or our governance documents, we believe ratification of this appointment is good corporate practice because the audit of our books and records is a matter of importance to our stockholders. If our stockholders do not ratify the appointment, our Audit Committee will reconsider the appointment of Grant Thornton, but still may elect to retain them. Even if the appointment is ratified, the Audit Committee, in its discretion, may change the appointment at any time if it determines that such a change would be in our best interest and the best interest of our stockholders.

The affirmative vote of a majority of all of the votes cast in person or by proxy at a meeting at which a quorum is present is required to ratify the appointment of Grant Thornton to serve as the Company’s independent registered public accounting firm. The ratification of the appointment of Grant Thornton as our independent registered public accounting firm is a “routine” proposal, so broker non-votes may be counted as votes cast. Therefore, if a record stockholder does not provide its broker, bank or nominee with voting instructions, then such broker, bank or nominee will be able to vote the stockholder’s shares on his, her or its behalf.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” RATIFICATION OF THE APPOINTMENT BY OUR AUDIT COMMITTEE OF GRANT THORNTON AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2016.

STOCKHOLDER PROPOSALS FOR THE 2017 ANNUAL MEETING

Stockholder Proposals in the Proxy Statement.  - the name, age and address of the nominee;
 - the number of shares of Common Stock beneficially owned by the nominee;
 - all other information relating to the nominee that is required under Regulation 14A under the Exchange Act to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved); and
 - the name of the nominee holder for, and number shares of, Common Stock owned beneficially but not of record by the nominee;
- as to any other business that the stockholder proposes to bring before the annual meeting,
 - a brief description of the business to be brought before the annual meeting;
 - the reasons for conducting such business at the annual meeting; and
 - any material interest in such business that the proposing stockholder (and the beneficial owner, if any) may have.

The above procedures summarize the procedures regarding stockholder nominations contained in our Bylaws, and any stockholder desiring to submit a nominee should consult our Bylaws concerning these requirements.

All proposals should be sent via registered, certified or express mail to our Secretary at our principal executive offices at: HMS Income Fund, Inc., 2800 Post Oak Boulevard, Suite 5000, Houston, Texas 77056-6118, Attention: Ryan T.
