## FINAL AMENDMENT TO TENDER OFFER STATEMENT

This Amendment No. 1 supplements and amends the Schedule TO filed with the Securities and Exchange Commission on December 30, 2019 by HMS Income Fund, Inc., an externally managed, non-diversified, closed-end management investment company incorporated in Maryland (the "Company"), in connection with the offer by the Company to purchase up to the lesser of (i) the number of shares of the Company's common stock, par value \$0.001 per share (the "Shares") the Company can repurchase with the proceeds it received from the issuance of Shares under the Company's distribution reinvestment plan during the prior calendar quarter and (ii) 2.5% of the weighted average number of Shares outstanding in the prior four calendar quarters at the net asset value per share as of February 19, 2020. The tender offer was made upon, and subject to, the terms and conditions set forth in the Offer to Purchase, dated December 30, 2019, and the related Letter of Transmittal (together, the "Offer"). The Offer terminated at 5:00 P.M., Central Time, on February 7, 2020, and a total of 2,977,551.544 Shares were validly tendered and not withdrawn pursuant to the Offer as of such date, an amount that exceeded the maximum number of Shares the Company offered to purchase pursuant to the Offer. In accordance with the terms of the Offer, on February 21, 2020 (the funding date), the Company purchased a total of 789,922.02 Shares validly tendered and not withdrawn at a price of \$7.70 per Share, which was the net asset value per share as of February 19, 2020, for an aggregate purchase price of \$6,082,395.97 (an amount equal to the proceeds the Company received from the issuance of Shares under its distribution reinvestment plan during the prior calendar quarter). Because the amount of repurchase requests exceeded the number of Shares the Company sought to repurchase, the Company repurchased Shares on a pro-rata basis, subject to "odd lot" priority as described in the Offer. Stockholders who owned fewer than 100 shares in the aggregate and who properly tendered and did not withdraw such Shares and elected to be subject to "odd lot" priority were not subject to proration, in accordance with the terms of the Offer. All shares tendered by eligible Odd Lot Holders (as defined in the Offer) were repurchased. Approximately 26.5% of the number of Shares tendered by each remaining stockholder who participated in the tender offer was repurchased by the Company.
