## FINAL AMENDMENT TO TENDER OFFER STATEMENT

This Amendment No. 1 supplements and amends the Schedule TO filed with the Securities and Exchange Commission on March 10, 2023, as amended, by MSC Income Fund, Inc., an externally managed, non-diversified, closed-end management investment company incorporated in Maryland (the “Company”), in connection with the offer by the Company to purchase the lesser of (i) the number of shares of the Company’s common stock, \$0.001 par value per share (each, a “Share”, or the “Shares”) the Company can repurchase with 90% of the proceeds it received from the issuance of Shares under the Company’s distribution reinvestment plan in connection with its May 1, 2023 dividend payment and (ii) 2.5% of the weighted average number of the Shares outstanding in the prior four calendar quarters. The purpose of the offer is to provide our stockholders (“Stockholders”) with limited liquidity because there is otherwise no public market for the Shares. The tender offer was made upon, and subject to, the terms and conditions set forth in the Offer to Purchase, dated March 10, 2023, and the related Letter of Transmittal (together, the “Offer”). The Offer terminated at 5:00 P.M., Central Time, on April 17, 2023, and a total of 5,716,215 Shares were validly tendered and not withdrawn pursuant to the Offer as of such date, an amount that exceeded the maximum number of Shares the Company offered to purchase pursuant to the Offer. In accordance with the terms of the Offer, on May 1, 2023 (the funding date), the Company purchased a total of 558,444 Shares validly tendered and not withdrawn at a price of \$7.67 per Share, which was the net asset value per share as of May 1, 2023, for an aggregate purchase price of \$4,283,258.64 (an amount equal to 90% of the proceeds the Company received from the issuance of Shares under its distribution reinvestment plan). Because the amount of repurchase requests exceeded the number of Shares the Company sought to repurchase, the Company repurchased Shares on a pro-rata basis, subject to “odd lot” priority as described in the Offer. Stockholders who owned fewer than 100 Shares in the aggregate and who properly tendered and did not withdraw such Shares and elected to be subject to “odd lot” priority were not subject to proration, in accordance with the terms of the Offer. All Shares tendered by eligible Odd Lot Holders (as defined in the Offer) were repurchased.
